The Livonia Junior Athletic League was founded in 1957 as the Livonia Junior Football League and is a non-profit organization run by volunteers. Over the years our offerings have been expanded to include Baseball, Basketball, Girls Softball and most recently, Flag Football for ages 6 and 7.

Our mission is to promote citizenship, sportsmanship, fellowship and physical development among the youth of the City of Livonia, through sponsorship, administration and promotion of organized sports programs and events.

The LJAL provides developmental and competitive sports opportunities for more than 1,000 youngsters each year, ranging in ages from 6-18. Among the programs offered are football and cheerleading programs along with house and competitive baseball and basketball teams. The LJAL has been at the forefront of girls athletics with their very popular softball and basketball programs for girls of all ages.

The LJAL Football Units (Blue Jays, Eagles, Falcons and Orioles) were founding members of the Western Lakes Junior Football League. Our program maintains and operates Bentley field as the home field for all 4 Livonia football teams. Recent improvements at Bentley have included new bleachers, an updated Press Box as well as a new scoreboard. Our current project is to construct a permanent Concession stand with restrooms.

Funds raised from the sales of Bentley Bricks will help fund that project and ongoing maintenance and improvements for Bentley field, Home of the LJAL.
